

Midnattssolsrallyt 2022

The Midnattssolsrallyt was driven for the first time in 1950 and then until 1964 and has been experiencing a revival since 2006. After the Sweden Rally, the rally is the largest motorsport event in Sweden.

There are 18 special stages. Each stage is only driven once, without recce. As in the "old days" with service along the leg while the day. The evening service every day in the Gelleråsen Arena. The event will take place 2022 from July 5th to 9th.

The rally is one of the largest historic rally events in Europe. The participating vehicles are built up to 1990. The venue is Karlskoga, approx. 250 km west of Stockholm. Start / finish, service area and Superspecial Stage are in the Gelleråsen Arena. The rally is driven on gravel.

During the 4 days of the rally, an average of 70.000 – 100.000 spectators visit the stages and the service area. Many well-known drivers such as Stig Blomqvist, Björn Waldegard, Kenneth Bäcklund, Steve Perez, Kenny Brack, etc. have already participated.
